## APPRENTICESHIP COORDINATOR 2

\$3215-4115 per month (range 52)

There is a GREAT job opportunity in Washington State's Labor and Industry's Apprenticeship Program located in the Tumwater HQ building. Work with a dedicated and enthusiastic team. This position provides consultations involving multiple technical and political issues and conducts compliance reviews and investigations of complaints and appeals. Also serves on task forces or advisory commissions charged with development of vocational education policies and procedures and on interagency committees dealing with Apprenticeship issues.

Do you work well with multiple state and federal agencies and on projects involving multi-technical disciplines? This position requires creative thinking and problem solving. Do you have a keen awareness of sensitive political issues? Are you comfortable and composed when dealing with high visibility issues and the media? Do you have strong communication skills? YES? This job may fit your needs.

If you meet the minimum qualifications for the job class and are interested in being considered for this position, please complete the application process and submit to the Department of Personnel by February 21, 2003. (NOTE: If you have worked for a registered apprenticeship program for three years and have experience in program review, development, and implementation you will meet the minimum qualifications for the job class.)

Candidate names will be requested from the Department of Personnel on March 10, 2003. Below is a link to the Job Bulletin. Please follow the application and examination directions. In addition to a state application, you will complete the examination portion of the bulletin by answering the six (6) questions on the announcement.
